

A1. Nudge:

Thanks for showing up to the free live masterclass earlier guys.

Feel free to ignore this if you've already submitted your application form.

This is your nudge to do it if you haven't yet.

I hope you're all aware that the value you've just gotten will fade away pretty fast.

Here's the link for it: [LINK]

A2. Case Study:

Let me tell you about one of my students.

Zac wanted to get into this but was pretty lost when he first came to me.

I managed to hook him up with a cash-flowing unit in North Wales.

His first month reached £8,500.

The only thing standing between him and yourself is making a change.

A3. Recap:

All of you guys showed up to the free live masterclass.

I'll give a little reminder of the offer that I made on it for the ones in the back.

Host Handbook provides you with one-on-one access, one-on-one coaching calls, group coaching calls, course content, and community.

The Landlord Proposal is one of the many bonuses included.

The only setback is staying stuck where you are forever.

This is what you've been looking for: [\[LINK\]](#)

N1. Nudge:

I know that some of you guys couldn't make it to the free live masterclass.

You're lucky that I've got a replay of it though: [\[LINK\]](#)

I'm just saying that it's not going to be up forever.

N2. Recap:

I'm going to give you guys a quick rundown of the free live masterclass.

The way of building a six-figure business through Airbnb using rent-to-rent can be boiled down to two things.

The average person is bound to fail with something like buy-to-let.

It's actually quite realistic for most people to do well with rent-to-rent on the other hand.

I've covered absolutely everything around this throughout it.

I'm only keeping the replay up for a little longer: [\[LINK\]](#)

N3. Pressure:

I want to bring something to the surface for all of you guys.

You registered for the free live masterclass to learn the way of building a six-figure business through Airbnb using rent-to-rent.

This is without putting down a lump sum, settling for a single tenant, or dealing with endless bureaucracy.

I'm only mentioning this because I'm about to take down the replay: [\[LINK\]](#)
