

1. Handoff:

It was great speaking with you earlier.

I figured I would add you to this group chat with the team ahead of the discovery call.

Can you introduce yourself when you get a chance?

2. Client Interview:

You would get quite a lot of value out of this YouTube video based on our conversation.

Here's the link for it: [LINK]

3. Recap:

I don't want you showing up to the discovery call clueless or anything like that so let me catch you up real quick.

Host Handbook is where I help people build a six-figure business through Airbnb using rent-to-rent.

It has one-on-one access, one-on-one coaching calls, group coaching calls, community, and course content.

There are a bunch of other bonuses like The Landlord Proposal as well.

4. Reminder / Objection Handling + Conviction Building:

Let me answer some frequently asked questions prior to the discovery call later on.

Will you push me into something that I'm not ready for? The whole point of this is to work out whether or not it's even a fit.

Are you going to make me feel bad if I decide this isn't for me? We would much rather you walk away than commit while you're on the fence.

Do I need to have everything lined up beforehand? We fill in all of the blanks together.

Am I walking into things blind? We're going to look at where you're at and take it from there.

I'm sure you understand by now the way of building a six-figure business through Airbnb using rent-to-rent.

It's important to realize that there are more landlords and guests on the market than ever, but only a handful of managers doing everything correctly.

Taking this approach alongside somebody who's already had success with it also lets you skip straight past the guesswork.

Feel free to come with as many questions as possible: [\[LINK\]](#)

5. Reminder / Risk Reversal + Urgency & Scarcity:

The discovery call is going down in about an hour.

Let me take some of the weight off your shoulders beforehand.

There's a guarantee to keep working with you free of charge until you've built a six-figure business through Airbnb using rent-to-rent.

It's also important to mention that we're just taking on fifteen people in this cohort and the doors are only staying open for the next week.

You want to take immediate action if it piques your interest whatsoever.

I would recommend keeping that in mind: [\[LINK\]](#)

6. Reminder:

It's time for the discovery call.

They've been sitting in the waiting room for a little.

Hop on it: [LINK]
