3. Unique Mechanism:

SL: How does this even work?

PV: N/A

Hey {first_name},

I want everybody to understand the way of building a six-figure business through Airbnb using rent-to-rent.

The reality is that the average person is bound to fail with something like buy-to-let.

It requires putting down a lump sum, settling for a single tenant, and dealing with endless bureaucracy.

This means that you're locked down on every single unit, you miss out on asymmetric rates, and you're constantly being capped out.

It's actually quite realistic for most people to do well with rent-to-rent on the other hand.

It comes down to paying the landlord their rent, letting guests stay at various intervals, and having the freedom to expand.

The result is that you need a fraction of the budget, you pocket all of the excess transfers, and you stack up units as time goes on.

I'll be teaching absolutely everything around this inside of the [free live masterclass](#).

See you there.

4. Narrative:

SL: Made it out the mud

PV: N/A

Hey {first_name},

It was deeply ingrained into me that the majority of millionaires were made through real estate.

It seemed like the only way was through being an agent, developer, or wealthy.

I came across somebody that had built a six-figure business through Airbnb using rent-to-rent.

I tested it out and ended up having my first cash-flowing unit not long after.

I'm still running it up to this day and teaching others how to do the same.

See you there.

5. Future Pacing:

SL: This makes all the difference

PV: N/A

Hey {first_name},

I want you to imagine something for a second.

You check your phone and see a fully-booked calendar on the dashboard.

You have guests staying for a long weekend that will cover the landlord's rent for the entire month.

You work on some systems and take the rest of the day for yourself.

This is the life that building a six-figure business through Airbnb using rent-to-rent has given me.

See you there.

6. Sneak Peek:

SL: I'll let you in on a little secret

PV: N/A

Hey {first_name},

Everybody's been asking what I'm going to cover on the free live masterclass.

Here's a sneak peek into the three pillars...

The first is how to find properties and arrange deals with their landlords.

It all starts with getting the right ones locked down under the right conditions.

The second is how to attract guests and provide them with premium stays.

This is where the cash-flow occurs and the compounding returns are made.

The third is how to scale this beyond yourself with multiple cash-flowing units.

These are the steps that get taken in order to reach the next level.

The cherry on top will be a Q&A for the ones that stay until the end.

I hope you know that the ninety minutes that it consumes are going to be so worth it.

See you there.

7. Objection Handling:

SL: Your prayers have been answered

PV: N/A

Hey {first_name},

I'm getting a lot of questions about the free live masterclass.

Let me speak into some of the big ones...

You might think that ninety minutes isn't enough to learn it all.

The thing is that I've cut it down to only what actually moves the needle.

You might think that this is all available on my YouTube anyway.

The whole point of this is to hand you the full picture rather than scattered pieces of it.

You might think that it'll turn into one long sales pitch.

The reality is that I'm teaching it all whether you pay me or not.

You might think that you'll miss out if you can't make it live.

The truth is that being there in person really helps you get the most out of it.

I can guarantee that you'll walk away with more than you had to begin with either way.

See you there.

8. Addressing:

SL: Why am I making this free of charge?

PV: N/A

Hey {first_name},

I'm just going to be straightforward with you because I get asked this all the time.

It's a common misconception that I have to choose between doing it myself or helping others, even though I can do it myself while helping others.

I'm a player and a coach at the end of the day.

This also gives me the chance to learn from everybody who gets results afterwards.

See you there.

9. Reminder / Recap:

SL: It's game time

PV: N/A

Hey {first_name},

The day has finally arrived.

I'm going live at *7:00 PM BST*.

Here's what I'll be covering tonight...

- How to attract guests and provide them with premium stays.
- How to scale this beyond yourself with multiple cash-flowing units.

I'll do a Q&A for everybody that stays until the end.

I've simplified everything so that you're ready to go within the span of ninety minutes.

See you there.
